Philology: The Forgotten Origins of the Modern Humanities ... Philology is defined as "the multifaceted study of texts, languages, and the phenomenon of language itself". According to this book, it's also the parent of disciplines such as history, literature, and basically most of the humanities (except Philosophy). Personally, I've never heard of Philology before this book. Turner, J.: Philology: The Forgotten Origins of the Modern ... In Philology, the first history of Western humanistic learning as a connected whole ever published in English, James Turner tells the fascinating, forgotten story of how the study of languages and texts led to the modern humanities and the modern university. The humanities today face a crisis of relevance, if not of meaning and purpose. Philology: The Forgotten Origins of the Modern Humanities ...
