The Philosophy of Vocational Education - Journal of the ... So this latest round of vocational education activity is certainly serving local, state, and national needs. And this is a good thing. But it is doing so under a traditional attitude that separates vocational or hands on learning from academic education. This attitude has of course existed throughout history in most countries. Philosophy of education - Wikipedia Mason was a British educator who invested her life in improving the quality of children's education. Her ideas led to a method used by some homeschoolers. Mason's philosophy of education is probably best summarized by the principles given at the beginning of each of her books. Philosophy of Vocational Education | Edge Foundation While there has been extensive debate over the principles and philosophy of academic education in recent decades, the same has not been the case for vocational education. This has led to constant experimentation, change and frustrating repetition.

What is Vocational Education and Training 1. What is Vocational Education and Training? Defining VET as a sector within the education system poses a number of difficulties. For the most part, general and academic education is seen as that which builds analytical skills, knowledge and critical thinking, while VET develops craftsmanship, practical experience and practical problem-solving.
